APPENDIX B

Declaration of Unalienable Rights held by Free and Independent Individuals

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinion of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all humans are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. A free and independent state is established when one people join together in a common unity to secure their natural God-given rights. To secure their right to life, liberty and the pursuit of happiness, governments are instituted among men, deriving their just powers from the consent of the governed; to be exercised by elected officials as surrogate power for the free and independent state, New York.

When surrogate power officials assume the rights of the Sovereign as supreme, a free and independent state inverts into a state which usurps the unalienable rights of the people and they become mere subjects of mandatory conformity, victims of suppression of natural rights and tyranny. Corrupted surrogate power has no authority of its own, there, I declare by the Almighty Creator One People Assembly.:

Social Compact Affirmation

I am created equal to all men and women with unalienable Rights held by myself as an individual sovereign. I solemnly affirm, publish and declare;

All text on the seal must be written in Proper Case rather than all capital letters. Proper Case means that you capitalize the beginning of sentences and proper nouns. If you capitalize all of the letters it defines a dead entity, ie. a tombstone.

The symbol/icon in the middle should reflect the state/province/county that you're from. Ideally it should be something meaningful that has staying power over time.

No circles surrounding the seal should be closed. A closed circle indicates a controlled environment or that someone else has control of our freedom. Rather than a government that draws it's power from the governed, this is a symbol of absolute control. An open sphere as sampled above is more in harmony with who we are as a de jure body. Our participation is something we willingly contribute to, and are free to walk away from at any time.

Declaration of Independence Cir. 2010

In accord with the 1776 unanimous Declaration of Independence.

“When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature’s God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impels them to the separation.”

We hold these truth to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights that among men, deriving their of these ends, it is the Right of the People to alter or to abolish it, and to institute new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to affect their Safety and Happiness. Prudence, indeed will dictate that governments long established should not change for light and transient causes; and accordingly all experience hath shown, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same object, evidences a design to reduce them under absolute Despotism, it is their right, it is their duty to throw off such government, and to provide new guards for their future security. Such has been the patient sufferance of these States, and such is now the necessity which constrains them to alter their former system of government. The history of the present Federal Government Corporation is a history of repeated injuries and usurpations, all having in direct intent the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

WE THE PEOPLE, therefore in, state General Assembly, appealing to the Supreme Judge of the World for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Free and Independent States in perpetual union, solemnly publish and declare:

That these united States are, and of Right, Free and Independent States, that they are Absolved from all Allegiance to the Federal Government Corporation (including all foreign powers to this Republic cir. 2010) and that all political connections between them and all foreign powers, is

and ought to be totally dissolved and that, as Free and Independent States in perpetual union, they have full Power to levy War, conclude Peace, contract Alliance, establish Commerce, and do all other Acts and Things which Free and Independent States in perpetual union reserve the right to do.

And for the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other the protection of HAPPINESS, PROSPERITY, LIFE, and LIBERTY.
